DO WOP LOVE recognizes that music touches us deeply. It is billed as a musical revue, but it is much more.

When four lifelong friends return to the old neighborhood, something about the street corner reminds them of singing "do wop" and they begin to recall childhood dreams, lost loves and life's lessons. With stories of love and heartbreak, the performers set the mood for each song in a new, exciting way, and we are led on a musical journey with some of the best love songs of the 50's, 60's and 70's.

DO WOP LOVE is one of those plays that keeps you begging for more. Whether it taps into your memory, or is a discovery of something new, it is a theatrical treat to be enjoyed by the family.
